New Caledonia Shumeikan Dojo held their National seminar during August 2007. The guest instructor for the seminar was Nobuo Takase Shihan the official representative of the Aikikai World Headquarters Tokyo Japan who is based in Auckland, New Zealand.

Nobuo Takase Shihan was accompanied by several senior Shinryukan members from throughout New Zealand.

A second seminar was held in Koumac, 400kms north of Noumea with Jean Paul Do Sensei. Members from Noumea accompanied Takase Shihan and the NZ contingent to Koumac.

A wonderful time was enjoyed by all who attended. Takase Shihan demonstrated his unique style of technique focusing on precise entering and blending with uke, while exhibiting absolute control of uke throughout the entire technique.

Nobuo Takase Shihan would like to extended his best wishes and continued support to Marc Cessio Sensei and the Shumeikan members.
