

Aikido Shinryukan Welcomes Aikido Armadale W.A

Aikido Shinryukan welcomes Aikido Armadale to the Shinryukan family. Aikido Armadale has been operating since August 2010 under the tutelage of Sensei Marek Pala 3rd Dan and supported by Sensei Simon Puffett 5th Dan.

Arriving in Perth in 2008 Marek Sensei and family settled in Armadale forty kilometres south of the city of Perth. Although training with the W.A Aikikai since their relocation from Auckland's North Shore to Western Australia Marek Sensei's desire to open his own continued to grow. The aim, to continue to follow and explore further the teachings of Nobuo Takase Shihan. The dojo has grown steadily over the first six months with six new members from the Armadale area.
